6. Zurich
International Forum on
Chinese Business Law

In collaboration with:

瑞中经济协会

法律事务分会

■ Synopsis

The seminar allows members of the business community who are interested in doing business with China to learn more about the latest developments in the area of trade and investment. It aims to identify new solutions for trade and investment in China's ever-changing legal regime. The seminar will address the needs of both, those experienced with China, who will become aware of restructuring opportunities, as well as those who are about to start their China projects and look for best practice cases.
