## **Swiss-Chinese Chamber of Commerce**

### **A Network Actively Contributing to the Sino-Swiss Economic Relations and Generating Business Opportunities for Swiss and Chinese Entrepreneurs**

The Swiss-Chinese Chamber of Commerce and SwissCham China are private organisations of associations registered in Switzerland and China respectively. Among their members are the leading Swiss companies in the trade, industry and financial sectors. The network consists of about 800 companies and individual members. The Swiss-Chinese Chamber of Commerce was first set up in Zurich in 1980 and established a branch in Beijing in 1995 and in Shanghai in 1996. Beijing obtained the status of an independent chamber of commerce according to Chinese law in 2001. As a result, two national organizations are independently operated today with three regional branches in Switzerland (Zurich, Geneva, Ticino) and with three in China (Beijing, Shanghai and Guangzhou). Their purpose is to promote and support the global success of the Swiss business community in China. Simultaneously, SwissCham China and the Swiss-Chinese Chamber of Commerce assist a growing number of China-based enterprises in their dealings with Swiss partner companies. The Swiss organization is also a member of the Association of Swiss Foreign Trade Chambers and the Euro-China Business Association.
