Seit 2006 ist er Präsident der Wirtschaftskammer Schweiz-China und seit 2003 Leiter des Asien Moduls eines Executive MBA-Programms und nebenamtlicher Dozent der ETH-Zürich.

Kurt Haerri wurde 1962 in Birrwil geboren, ist verheiratet und Vater eines Sohnes.

---

Kurt Haerri is Senior Vice President, Head Global High-Rise Business since April 2009 and leads the Top Range Division, a worldwide competence- and profit centre for high-rise elevators of Schindler Elevators Ltd. Switzerland.

He graduated in 1996 at the University of St. Gallen as an Executive MBA HSG and before in 1990 as Mechanical Engineer at the Lucerne University of Applied Sciences. Kurt Haerri worked for Schindler in China from 1996 to 2003. During the initial stage of his assignment he introduced several new Elevator Product Lines to the Chinese market. He also became a member of the Schindler China Management Team taking charge of the New Installation Business in this booming market. After his return to Switzerland in 2003, he took over the Supply Chain Management Division at Schindler Switzerland as a member of the Executive Committee. In 2005 he became Head of the New Installation Business of Schindler Switzerland and in addition in 2008 Head of the Modernization Business.

Since May 2006, Kurt Haerri is the President of the Swiss-Chinese Chamber of Commerce, a private non-profit organization founded in 1980 and registered in Zurich. In addition he is a lecturer at the Swiss Federal Technical Institute ETH Zurich, where he leads the Asia Module of the Executive MBA Program with focus in Supply Chain Management.

Kurt Haerri was born in Birrwil in 1962. He is married and a father of a 16 year old son.
