

CHINA INTERNATIONAL IMPORT EXPO

Invitation Letter for the Promotion Event

Dear friends,

The Chinese economy is developing steadily with a medium-high speed of growth. In the following five years, China is expecting to import goods and service worth more than ten trillion USD, which provides a historic opportunity for enterprises to enter the huge Chinese market.

In May 2017, Chinese President Xi Jinping announced at the Belt and Road Forum for International Cooperation in Beijing that China will host **China International Import Exposition (CIIE)** starting from 2018. The first CIIE will be held in **Shanghai** during **November 5th to 10th, 2018**. It represents an important move of China to open its market and promote trade, while also serving as a platform for international cooperation for all countries to showcase their development achievements and discuss global economic and trade issues. The Swiss Federal Councillor, Mr. Johann Schneider-Ammann has already received the invitation from the Minister of Commerce of China, Mr. Zhong Shan.

The first CIIE consists of three parts: Country Pavilion for Trade and Investment, Enterprise and Business Fair as well as International Trade Forum. The Enterprise and Business Fair will cover the following business sectors:

1. Trade in goods: High-end intelligent equipment; Consumer electronics & appliances; Automobile; Apparel, accessories & consumer goods; Food & Agricultural products; Medical Equipment & Medical care products.
2. Trade in services: Tourism services; Emerging technologies; Culture & education; Creative design; Service outsourcing.

The registration deadline for the exhibitor is June 30th 2018. Those who register by January 31th 2018 will enjoy a discount of 20%. I sincerely invite your company to participate in CIIE as exhibitor, and warmly expect you to join our **Promotion Event on January 15th 2018, from 14:30 to 17:30 in Bern, Hotel Schweizerhof** to get a more comprehensive understanding of the CIIE.
