HOBBIES

INTRODUCTION

Open-minded, I grew up in an ever-changing environment, as is our world. That's why I find myself driven to move forward and make things happen.

PERSONAL DEVELOPMENT

Trip around the world, May 2019 – October 2019

To be able to evolve and manage in a new environment completely unknown, to know more and more about its strengths and weaknesses, to significantly improve self-confidence, respect, and open-mindedness.

PROFESSIONAL EXPERIENCE

TENNIS INSTRUCTOR - Collombey-Monthey, Switzerland, October 2019 – August 2020

- Tennis teaching to children, from 4 to 12 years old, basics and upskill follow up

PROMÉTERRE-PROCONSEIL SÀRL - Lausanne, Switzerland, August 2015 – May 2019

DUAL ROLE: MEDIA OFFICER AND COMMUNICATION COORDINATOR

- Leading and managing website and its professional content in collaboration with company's managers and board members
- Boosted cross-dpt. and cross market collaboration by building strong relationships with key stakeholders (customers, Vaud state, partners)
- Coordinating external and internal communication. Coordinated subsidiaries daily requests for events and communication
- Managing major events for the company such as Salon des métiers Beaulieu and internal conventions
- Processing of invoices, accounting closures and tax returns
- Charitable causes: "Projet Sentinel" providing emotional and administrative support to farmers in need and deep financial difficulties

ACADEMIC QUALIFICATIONS

MASTER OF SCIENCE IN BUSINESS ADMINISTRATION – SPECIALIZATION EURASIA – UNIVERSITY OF APPLIED SCIENCES HES-SO

Lausanne-Neuchâtel, Switzerland, September 2023 – currently

BACHELOR OF SCIENCE IN BUSINESS MANAGEMENT – UNIVERSITY OF APPLIED SCIENCES HES-SO

Sierre, Switzerland, September 2020 – July 2023

- Consulting mandate for a Swiss clothing company: analysis and revision of the company strategy, professional diagnosis and drafting of a report and recommendations
- Diagnosis of the internationalisation of a Swiss distillery: complete business analysis, drafting of a report and formulation of recommendations
- Completion of a risk analysis mandate for a Swiss company. Analysis of financial risks, investment opportunities, degree of importance, influence, and minimization of risks. Formulation of recommendations and improvements
